

Trickster Theatre Company will be coming to Central school to lead a one-week artist-in-residency program thanks to a grant from Alberta Foundation for the Arts. This residency involves the entire school in daily workshops, lecture/demonstrations and rehearsals, to create and perform an original performance. A 90 minute performance will be presented to the community on the last day of the residency. Trickster Theatre has been in the educational touring program since 1979, and has taught hundreds of workshops for teachers and students. They have performed at the Toronto, Edmonton, and Calgary Children's festivals, and have toured internationally to Denmark, Singapore, Mexico, Australia, and New Zealand.

Trickster Theatre's Artist-in-residency program is a spectacular event! The company will be working at our school during the week of **March 16-20, 2015**. Our school has asked Trickster Theatre to help us build a performance based on the theme of **Forestry**. This original performance will be based on ideas from our students and staff and involve students and staff as actors. **The show will take place on March 20, 2015 at 1pm and 7pm**. We have set aside two (2) tickets for each family. Please indicate on the return slip below if you would like afternoon or evening tickets.

**Would you like to volunteer?** One of the goals of the residency is community participation -- either to take part in the construction of the performance or just to see what kinds of activities are taking place. If you are interested in volunteering a few hours during the residency week, there are many areas where assistance is greatly welcomed. There is no experience required. If you are interested in participating in the residency week, please indicate and return this slip by March 10. Our Volunteer Coordinator will then contact you to organize details.
