

Central School 2016/2017 Homemade Soup Program

As we all know the winters here are long and cold. There is nothing better than a nice warm bowl of homemade fresh soup. We offer the soup twice a month for the winter months at the cost of \$3.00 a bowl that will include a fresh bun and butter. Each month we choose a different soup to make chicken noodle, corn chowder, chili, Beef Barley, Cream of Potato etc. The type of soup will be announced in the school and PCSS newsletter monthly. If you would like to purchase a soup card please fill out the information below. Your child will then receive a soup punch pass that will last them the year.
