

Eagle's Nest

Sept. 11, 2023

Information Items for Parents

Student Arrival/Departure

- Before school, from 8:30-8:50 am, students are supervised outside on the playground. Students may be dropped off during this time.
- If your child is going to be absent or late, please call the school at (780)778-2136.
- All doors, except the main entrance, lock at 9:00 am. Students who arrive late must use the main entrance and check in with Mrs. Pierce to ensure they are marked present.
- Classes are dismissed at 3:15 pm. Students who are picked up at this time may be picked up at their grade level entrance to the school.

After School Reminder

When our students are dismissed at 3:15 pm, they are expected to head straight home. For the safety of our students, we ask that no child remain on the playground unless accompanied by a parent.

We also ask that student not use personal cell phones to make plans after school other than what they were directed to do by parents in the morning before school. This often causes miscommunication and frantic calls to the school office when children do not arrive home. Thank you for your cooperation.

Contact and Emergency Information

**Verification forms have been given or sent home for parents to update information such as address and contact information.

**Contact information will need to be reviewed periodically to ensure we have reliable phone numbers to call in case of sickness or emergency.

**In order for students to go on walking field trips or take part in off site activities, contact information will need to be current.

School Fees

School fees can be paid at the school or on SchoolCash online.

Info Items

The school does not supply spoons to students for their lunches, unless they have been donated to a specific class. Please make sure that if a spoon is needed, that one is sent from home. Classroom teachers happily accept donations of disposable spoons!

Technology

- The school provides each student with a chromebook for educational purposes.
- We ask that all personal devices remain in backpacks and not be used throughout the day.
- If students are using their personal devices during the day, parents will be contacted and asked to keep student cell phones at home.

For more information on our Technology Policy, please see the Parent Handbook which can be found on the school website.

Facility Dog on Site

We are thrilled to have a Facility Dog named Sage as part of our staff team this year. Sage was trained by Dogs with Wings in a rigorous 2 year program and is a licenced under Assistance Dogs International.

For the safety of our students and Sage, we ask that parents keep animals off of the playground until after 3:30 pm. We appreciate your cooperation.
