School Entry

Our Grade level doors close and lock at 9:05 am. If your child is going to be late, they can come in the front doors and check in with Mrs. Pierce. She will be happy to get them signed in and off to class!

Fountas and Pinnell Reading Information
Every year, teachers complete two Fountas and Pinnell reading screens with the students in their classroom. The first is done in September and guides classroom instruction to ensure teachers are building on foundational skills. The second screening is completed in March. This screening provides teachers with information regarding growth as a learner and areas that still need focus and development. Students are taught how to find "right fit" books that enable them to strengthen their reading and comprehension skills. Reading every night before bed, is a great way for students to show off their reading skills and improve their confidence.

Volunteering

Parents, if you are looking to help out in your child's class, please contact the teacher and they will make arrangements with you.

School Assembly

Our first Recognition Assembly is on Friday at 9:30 am. Come and join us for some dancing and celebration of learning!

Canniff Corner

Emotional Intelligence

You can help your child recognize their emotions by stating the physical signs you see in them and naming the related emotions. For example, you might say, "I see that your eyes are wide and that your shoulders are drawn up toward your ears. I wonder if you are feeling scared."
