Information Items for Parents

Attendance

Attendance is taken every day in the morning and afternoon. If your child is going to be late or picked up early, please ensure to notify the school.

In order to avoid confusion at the end of the day, notes regarding after school plans can be written in the agenda as a reference. When phone calls come in to the office regarding last minute changes in after school transportation plans we make every effort to ensure the messages are received by the classroom teacher in time, however, knowing these changes earlier in the day is much more effective for classroom teachers. Thank you!

WCS Employee Recognition

Congratulations to our staff who received service awards on September 29, 2023.

School Council

We would like to extend a thank you to our School Council, who is purchasing school shirts for all students and staff as well as sponsoring our Scientists in Schools Program again this year. Please join us at our next meeting, which is on October 10 @ 6 pm in the school library. If you wish to join via Google Meet, the link is below the calendar.

Halloween 2023

Many students have started to think about Halloween. This year students are able to come dressed in their costumes in the morning, hoping to make it a little easier on families. Our monthly Assembly will kick off at 9:30 am with our Recognition Awards, followed by a costume parade and then the dance back to the classrooms. Teachers will be in contact with parents about any further Halloween activities in the classrooms.

Donations

One of the things that we have quickly found out this year is that families are eager and willing to donate items to the school, however, they do not know what we need. We put together a list of items that we could use at the school that families may be getting rid of as they complete their fall cleaning.

- clothing - girls and boys - for ages 4 to 9
- dolls & doll clothing
- cars
- lego
- duplo
- sand toys

Canniff Corner

Emotional Intelligence

When reading with your child, pause to ask your child questions about how the characters in their book might be feeling and why the characters might be feeling that way. Ask your child how they decided on their answers.
