Halloween Assembly

Come and join us at our Spooky assembly on Tuesday, October 31st at 9:30 am. Students can come dressed in their costumes.

Please note:

- students will be required to go outside at recess and lunch recess.
- toy swords, guns, etc. can be used during the costume parade however will remain tucked away during class and recess time.

After School Reminder

When our students are dismissed at 3:15 pm, they are expected to head straight home. For the safety of our students, we ask that no child remain on the playground unless accompanied physically by a parent.

We also ask that student not use personal cell phones to make plans after school other than what they were directed to do by parents in the morning before school. This often causes miscommunication and frantic calls to the school office when children do not arrive home. Thank you for your cooperation.

Technology

- The school provides each student with a chromebook for educational purposes. If students are not using the chromebook appropriately, their access will be limited.
- If students are using their personal cell phones during the day, parents will be contacted and asked to keep these devices at home.

For more information on our Technology Policy, please see the Parent Handbook which can be found on the school website.

Sniffles, Coughs and Chills

If your child is not feeling well, please keep them home and have them return when they are feeling better. Letting the office know they will be away, is greatly appreciated.

Hot Lunch Orders

School Council would like to extend their apologies for the pizza order mix up on Friday, October 20th. We are working with them to offer refunds to any families who missed out on the first pizza day. Our next hot lunch day is Friday, November 15th.

Canniff Corner

Problem-Solving

Help your child learn steps to solving a problem.

1. Identify the problem.
2. Brainstorm solutions to the problem.
3. Consider the pros and cons of those solutions.
4. Choose a solution and act on it.
5. Evaluate how the solution worked.
