Christmas/Winter Calendar of Fun

Our Christmas/Winter calendar is in full swing! Please remember that participation is completely optional. It is just a way to help everyone get into the holiday spirit!

School Council

Thank you to everyone who has joined us for our School Council Meetings over the last few months. A huge shout out to our School Council, who organize and run our Pizza Days and many other fun activities. Thank you so much for your commitment to WCS!!! 

Parking

The area along 53rd avenue is a loading zone. After speaking with the Peace Officers, as long as parents are actively unloading or loading their children, no tickets will be issued. Tickets will be given if vehicles are parked in this area for long periods of time and not actively unloading/loading students. If you have any questions, please call the school office.

Hold and Secure

A Hold and Secure (used when concern is in close proximity to the school building):

- an announcement is made informing all students, staff and visitors that hold and secure procedures have been implemented.
- The office staff will implement an automatic locking of all outside doors preventing anyone from entering the building.
- Parents who arrive at the main door can be let in by school staff once identity has been confirmed.
- Students carry on with their school activities with the exception of going outside for recess.
- Indoor recess protocol will be implemented.
- Supervisors are encouraged to remind students not to open the grade level doors for any adult wanting in.

Literacy/Numeracy Practice

Over the holidays a great place to practice both literacy and numeracy is in the kitchen. Reading recipes, following directions and measuring ingredients all give students a chance to see the real application of literacy and numeracy. We all know we want our cookies to taste great!

Social Skills

Limit your child's screen time. Many students spend so much time on their screens that they are not interacting with their family and peers as much as they should be to develop good social skills.
