Lost and Found

Our Lost and Found will be placed out in the front foyer for parents to look through when they come to the Christmas concerts. We are hoping that the articles of clothing will find their way home. All clothing remaining after Dec 22nd will be collected and donated. **A great way to ensure your child's items do not go missing is to write their name on the tag!**

Handicapped Parking/Loading/Unloading Zone

We have been working with the town to solve some of our parking issues on 53rd ave. A Handicapped Parking zone will be in effect just west of our crosswalk. Please watch for the blue curb and signage. This zone will need to be kept clear for vehicles with a handicapped placard. In addition, the yellow curb indicates a loading/unloading zone which means that vehicles parked in this area must be actively loading or unloading students. Parking for longer periods of time is not permitted. Peace Officers will be monitoring the area.

Whitecourt Food Bank & Christmas Hamper

As part of our giving back to the Community, Whitecourt Central School students are collecting donations for the Food Bank and Christmas Hamper. Donations will be accepted at the school until Dec 14th.

Feel free to bring your donations to one of our Christmas Concerts!

Problem Solving Strategies

As students spend more time together, especially indoors when it is cold, there tends to be more disagreements. Our students are doing a good job following our expectations of walking away, ignoring, asking individuals to stop and seeking help from a supervisor. These are skills that we promote every day however we find reminders are necessary during higher stress times.

Social Skills

Set expectations with your child for using social media, online games, and the internet. Expectations like respect, appropriate language, and kindness can go a long way to support their social skills when using technology.

Resiliency: Climbing Out

We are often influenced by the friends that we have in our life. Peer pressure is one of the most common reasons that students share as to why they made the choices that they did. This unit focuses on how to distance ourselves from individuals who may prevent us from being the best us possible.
