Handicapped Parking/Loading/Unloading Zone

We have been working with the town to solve some of our parking issues on 53rd ave. A Handicapped Parking zone will be in effect just west of our crosswalk. Please watch for the blue curb and signage. This zone will need to be kept clear for vehicles with a handicapped placard. In addition, the yellow curb indicates a loading/unloading zone which means that vehicles parked in this area must be actively loading or unloading students. Parking for longer periods of time is not permitted. Peace Officers will be monitoring the area.

Why does everyone love Frosty the Snowman?

He's cool!

Service Providers

If parents have any questions regarding services at the school, please contact your child's teacher or our Inclusive Education Facilitator, Sarah Carlson for details.

Lost and Found

Our Lost and Found will remain in the front foyer until December 22nd. It will then be packed up and taken to the Repeat Boutique.

Be a Guest EA

Occasionally we need guest educational assistants to cover the absence of EAs in our school. If you would be interested in getting on our sub list please contact our NGPS Division Office.

School Council

We are always looking for more voices at our School Council meetings! Please join us on Tuesday, January 9th at 5:30 in the library to get involved! All parents are always welcome!

Social Skills

Monitor your child's online and social media activity. This helps to keep them safe and also allows you to provide guidance for appropriate and successful social interactions. Apps like TeenSafe can help monitor your child's device usage.

Christmas Break

School staff will be unavailable from December 22nd at 3:30 pm until January 8th at 8:30 am.

We will be sending home all clothes and water bottles that are here at school with students over the Christmas break. Our custodians will be doing an extensive clean and we want all areas clear of items for them.
