Parent Teacher Interviews & Student Led Conferences

Parent Teacher Interviews & Student Led Conferences are scheduled for March 6th & 7th from 4:00-7:00pm. Please keep an eye out for a note coming home confirming your time to come celebrate your child's learning!

Book Fair

Our Scholastic Book Fair is here! It will be open to students March 4th-7th. It will be open in the evenings for families to visit on March 6th & 7th from 4:00-7:00pm.

Digital Citizenship

At the heart of digital citizenship are the underlying characteristics of citizenship we tend to be familiar with: being vested with the rights, privileges, and duties as a member of society. Educating about digital citizenship while modelling appropriate technology usage will ensure students are **informed, critical, responsible and aware** of their duties and rights, provide a framework which promotes the **social, moral and cultural development** of students, and enable students to become more **self-confident and responsible**, both in and beyond the classroom.

WCS Twin Acres Greenhouse Fundraiser

Are you looking for flower baskets or some herbs for the spring? Join us for this great fundraiser! By supporting our basket fundraiser you will be supporting bringing new tools and resources that support the learning and growth of children in our school community and also supporting a local business: Twin Acres Greenhouse.

Please go to www.TwinAcresGreenhouse.ca. At the top of the page you will find FUNDRAISER BASKETS. Click on the tab for all the options. Remember to select "Whitecourt Central School" as your fundraiser.

All orders are due on March 12th. Pick up will be at Twin Acres Greenhouse on May 29th.

What did the mother worm say to the little worm who was late?

Where in earth
have you been?!?

**Congratulations to our
February Eagle River
Chrysler Eagles**

1H - Carson S
1C - Kylie B
1G - Lincoln M
2D - Ryder B
2W - Kiran G
2/3S - MJ U
3L - Hannah G
3M - Eva C
4CH - An Wei M
4DM - Ryver K
4/5M - Easton M
5L - Kadence M
5CL - Jack M

Canniff Corner

Trying and solving problems independently builds character and resiliency. Each day we deal with a multitude of tasks that may challenge us, from being able to get dressed by ourselves, feeding ourselves, and zipping up our own coats, to choosing who we play with on the playground, making sure we stay organized with needed materials, and paying attention to how we tackle assignments or chores given to us. As we age and mature then we have unique or new problems to solve each day that actually show us we can survive and thrive by using our own talents and abilities (how to make a new recipe for a meal, how to deal with a growling dog belonging to someone else, how to order our own food when in a restaurant, how to resolve a conflict with a peer or sibling). Parents, while ensuring basic safety and security, can encourage children to learn to rely on internal problem-solving abilities to grow into independent adults.
