NGPS Schools are committed to...

- student safety
- parent engagement
- student-centered learning
- strength-based and developmentally responsive programming
- play-based JK and kindergarten programs

Drop-in registrations are also welcome anytime.

Spring Flower Basket Fundraiser

Thank you to **Twin Acres Greenhouse** for partnering with our EPIC Society again this year to bring this fundraiser to WCS. Keep an eye on your email for more information and the link to order.

Handicapped Parking

In addition to the curb being painted blue, there is now a sign secured to the power pole along 53rd ave just west of the corner crosswalk. Please do not park in this area unless you have the appropriate placard. Thank you for your cooperation.

Pink Shirt Day - Feb. 28

Bullying has no place at WCS! We strive to maintain a safe, inclusive, and respectful learning environment for all students! Pink Shirt Day is an opportunity for us to come together and make a difference. **Join us for our Pink Shirt Day assembly at 9:30am, Feb. 28.**

Hockey Hooky

Our Grade 5 students and staff will be heading to Rogers Place on February 21st to watch the Edmonton Oil Kings. Thank you to those parents who have volunteered to supervise. **Go Oil Kings Go!!!!**

Lost and Found

Our Lost and Found collection is growing again. We will be having classes check through the items and encourage parents to take a peek as well when you drop by.

Resiliency

Parent Teacher Interviews & Student Led Conferences

It's that time of year again! Our Parent Teacher Interviews are quickly approaching, **March 6th & 7th**. Parents will have the option between a traditional Parent Teacher Interview or a Student Led Conference. Watch for more information coming home in the near future!

Canniff Corner

As parents, we often try and protect our children and create successful experiences for them. Our love and experiences teach us to do this. After all, we don't want our children to be hurt, physically or mentally. At the same time, many experiences in life are not always met with success. Perhaps there is value in our kids experiencing some mistakes and learning from them? We must strive to teach our children that they are also resourceful and resilient and problem solving does this nicely!

All of our students, gr. 1-5, have or will have time at

Eastlink Park. Thank you to all of the organizers and Eastlink personnel for making their skiing and tubing adventure so much fun!
