Learning Uplifts All

CELEBRATE EDUCATION WEEK
April 15-19, 2024

Education Week 2024

It's Education Week! What does that mean? Education Week is a celebration of community and a time to showcase the remarkable things happening in Alberta schools. The school is not just a building in the neighbourhood, it is the foundation of the community. Our students are participating in a number of school wide literacy and numeracy activities to celebrate Education Week. Watch for information on how you can get involved! Keep an eye on our Facebook page for pictures of all of the learning and collaboration.

Splash Pants and Rubber Boots

If possible, we ask that parents write student names on tags in splash pants and in their rubber boots. We often see students with the same rain gear and it makes it easier for them if names are visible. This also helps us get forgotten gear back to the right child.

Anxiety and Social Skills Groups

Our students have the opportunity to work with our school psychologist, Mrs. Cote, in Anxiety and Social Skill Groups. Mrs. Cote helps students develop strategies to implement when feeling anxious. She also works with students on social skills that help navigate their sometime tricky peer relationships. Consistent attendance in these groups is essential for student success.

Parking Lot

Just a reminder, our parking lot is a bus lane from 8:30-9:00am and 3:15-4:00pm. We ask that parents do not enter during this time for student safety. Thank you for your cooperation.

- #### Fun At Home Learning Activities
- K-2**
Literacy
- Write letters and sight words in shaving cream on the kitchen table.
- Numeracy
- Clock Solitaire
 - Snap - highest card wins both
- 3-5**
Literacy
- Create shopping lists together
 - Word Scavenger Hunt as you travel
- Numeracy
- Addition games with dice
 - Cooking/baking - recipe (measurement)

Attendance

The end of the school year is quickly approaching. Teachers continue to cover curricular outcomes that build essential foundational understanding. Consistent attendance is imperative to students being successful in their learning. If students are consistently missing school, teachers will be reaching out to provide support.

- #### Help Wanted!
- We are currently in need of donations of:
- googly eyes
 - pompoms
 - sequins
 - cotton balls
 - sponges
 - scrapbook paper
 - tissue paper
 - q-tips
 - streamers
 - sponges
 - buttons
 - beads
- If you have any of these craft supplies kicking around that you have been wondering what to do with, we would happily accept them at the school office! Thank you!

Canniff Corner

Resiliency, or bouncing back, is always easier to achieve when the circumstances are predictable. How resiliency is achieved in unknown situations, proves to be more challenging. Often times, pressures in our busy world cause us to abandon resiliency, and simply to become emotional. Anger is the easy go to response to difficult situations. As we move forward and experience change, the more we utilize our "bounce back" strategies the better we will be at coping.

Why don't circus lions eat clowns?

Because they taste funny!
