Spring Break

Our last day of school before Spring Break is March 22nd. We will welcome students Grades 1 -5 back on April 2nd. Kindergarten students will join us on April 3rd. We hope families are able to enjoy some time together with nice weather! Fingers crossed!

Spring Cleaning

This week staff will be asking students to check the Lost and Found for any misplaced items. All items not claimed will be donated at noon on March 22nd. All personal items including water bottles and any clothing at the school will be sent home for Spring Break. This will enable our custodians to complete their cleaning more efficiently.

2024-2025 Registration

New registrations are currently being accepted for the 2024-2025 school year. Forms can be found on our website, whitecourtcentral.ca, or drop by the school for a copy. Please remember that you will need proof of residence and a copy of your child's birth certificate. We look forward to welcoming you to WCS!

March Assembly

Our monthly assembly will be on March 22 at 9:30 am. It is also Western Day!

Fire Prevention

Our Grade 4 students have been invited to the fire hall on March 19 from 1:00 - 2:00 pm for a Fire Prevention presentation. Thank you to the Whitecourt Fire Department volunteers for taking time to speak with our students!

Report Cards will be sent home with students on March 22, 2024!

Weather

Spring weather has arrived! This, of course, means puddles and slippery playgrounds. It may be wise to send extra pants and socks with your child.

Rock Your Socks

When we "Rock Your Socks" on March 21st, we are helping to raise public awareness and create a single global voice for advocating for the rights, inclusion and well-being of people with Down syndrome.

Canniff Corner

Failure is a word that really is not useful. Needing to continue to work at something until a "successful" outcome occurs (or at least one that we can live with). Good things take effort. If it is easy, the learning involved is often not very rewarding. When we achieve something as a result of our own hard work, we have a strong sense of achievement and it is the effort we have put forth that should be praised, not the final accomplishments!
