WCS Twin Acres Greenhouse Fundraiser

Are you looking for flower baskets or some herbs for the spring? Join us for this great fundraiser! By supporting our basket fundraiser you will be supporting bringing new tools and resources that support the learning and growth of children in our school community and also supporting a local business: Twin Acres Greenhouse.

Please go to www.TwinAcresGreenhouse.ca. At the top of the page you will find FUNDRAISER BASKETS. Click on the tab for all the options. Remember to select "Whitecourt Central School" as your fundraiser.

All orders are due on March 12th. Pick up will be at Twin Acres Greenhouse on May 29th.

Technology Fees

Technology Fee of \$32.00 is now past due. Fee waiver forms are available if necessary. Payment arrangements can also be made with the school. If you have any questions, please contact the school.

Pick-Up Safety

While after school pick up can sometimes be hectic and rushed, we want to ensure everyone is safe! Please take the time to ensure your child is properly buckled into the vehicle after school. More information on this topic can be found at: <https://www.alberta.ca/occupant-restraint-laws>

Please also refrain from parking too closely to the crosswalk as it can block the view of our student crosswalk guards. Thank you for helping us keep everyone safe after school!

Canniff Corner

Resiliency really reminds me of elastic bands...that ability to bounce back when stretched. That bounce back is something that is a characteristic we practice and grow more and more successful with (and comfortable with as we succeed), as we travel through life. Parents help guide their children but cannot replace this stretching of our children's thinking and problem-solving because we do not want to create a false dependency on us as loving parents...most children eventually move out and succeed as independent adults!

Jon Hansen Presents...

A motivational message to our students about resilience and confidence.

**WHITECOURT CENTRAL SCHOOL,
UNLEASH YOUR
GREATNESS!**

2024

On March 11th, motivational speaker, Jon Hansen, will be at our school for grade level specific conversations with our students.

Scientists in Schools

Our students enjoy participating in experiments with scientists from across Canada with the Scientists in School program. Thank you to our School Council for providing us with this opportunity!

Parent Teacher Interviews & Student Led Conferences

Thank you to everyone who attended our Parent Teacher Interviews & Student Led Conferences last week! We always love connecting and celebrating your children with you!
