Weather

With the unpredictable weather we have been seeing, we suggest that students have splash pants and an extra pair of socks in their backpacks. This will keep them as dry as possible after recess times.

We would like to invite all current and new parents to our next WCS school council meeting. We would love to have everyone there!

Transition Planning

Mrs. Skipper, the WCS Mental Health Coach and Mrs. Kubelka, the Mental Health Coordinator, will be meeting with our Grade 5 students to answer any questions they may have about Percy Baxter and to practice opening the dreaded combination locks that always seem to cause anxiety. Percy Baxter will also be providing a tour and introduction for our Grade 5 students on June 6th.

Canniff Corner

We practice resiliency when we are faced with an obstacle. Either we work to get around it or through it or we wait and hope that others will take care of it for us. Teaching our children that they are resourceful, by fixing their own mistakes, creates independence and resiliency that they will call upon many times as they travel through life.

Facility Dog Program at WCS

Sage came to Whitecourt Central School at the beginning of the 2023-2024 school year and has provided support, love, excitement and humour to students and staff all year. Sage has worked alongside Mrs. Cote, our Assistant Principal, for nine years and it is now time for her to retire.

We will be welcoming Sage's successor dog to Whitecourt Central School in the coming weeks. The cost of maintaining this program is around \$5000 for the school year.

Do you know a company who would like to help sponsor our Facility Dog Program at Whitecourt Central School?

If so, we would love to hear from you! Mrs. Cote can be reached at the school at (780)778-2136 or by email at megan.cote@ngps.ca. We appreciate your support! Thank you for keeping this incredible program running at WCS!

Year End Field Trips

Our year end field trips have been booked. Please watch for permission forms and information coming home!
