2024-2025 Planning

Planning for the 2024-2025 school year has begun! Early registration is important for many reasons from allowing families their program preference to helping the school plan for staffing. We are currently accepting registrations for both our JK and Kindergarten programs. Spread the word! And if you have a child at home that you plan to register, please call the school for program availability and to register!

Contact Information

With classes going on walks now that the weather is nice and preparing for field trips, it is essential that all contact information and emergency contacts are current. If you need to update your information please call the school office.

The NED Show

On May 9th, students were invited to attend the NED Show. This show talks about mindset and continuing to try when situations get tough. The concept of perseverance and resilience was reinforced through cool yo-yo tricks and many different surprises. Yo-yos will be on sale at the school office until May 17th.

Thank You

We would like to extend a huge thank you to our School Council for all their contributions throughout the year. Your support is greatly appreciated.

No School Reminder

Just a reminder that there is no school on Thursday, May 16th, Friday, May 17th and Monday, May 20th. We hope you enjoy the May long weekend!

Why is a computer so smart? It listens to its motherboard!
Happy Mother's Day to all of our WCS moms and mother figures!

School Council Meeting!

Don't forget! Our monthly School Council meeting is on Monday, May 13th in person and online. All parents are always welcome!
