### Shout Out!

We would like to give a huge shout out to our School Council who worked very hard this year to raise funds so our students could experience some fantastic opportunities. New "Eagle Shirts" were purchased for students and staff to wear to represent our school, Scientists in Schools was a huge success and will be scheduled again next year, we had the Alberta Musical Theatre Company visit our school, fieldtrips were subsidized, Kindergarten Graduation caps and gowns were purchased, and so much more, all because of our School Council! We appreciate all of your support and look forward to working with you again next year.

With our days getting warmer, here are some suggestions to assist your child or children stay cooler when coming to school...
